

VITA-EQUINE™ **Grow+**

TOP-LINE MUSCLE BUILDER

Feeding Guide

Feeding Grow+

Grow+ can be administered either by mixing into daily feed or by syringe over the tongue as a slurry. For best results mix in luke warm water.

For best results Grow+ is recommended to be fed or administered after exercise for 10 consecutive days, then every second day for approximately 5-7 days (1 week).

Monitor horse's progress and continue feeding every 3 to 5 days every 2 to 3 weeks or as required.

Feeding Recommendations

Feed 15g (1 full scoop of one included in tub) for each 100kg of body weight daily.

Feed requirements vary depending on animal's height and body weight, increase or decrease as required.
